

Web Bonus: Bolster Pillow

Checkerboard Cherries

Designed by **Kathryn Patterson**, based on the quilt by Susan Purney Mark

Finished Pillow Size 18" x 42" (includes prairie points)

Note: Appliqué templates are given without seam allowance.

Number of Blocks and Finished Size
3 Cherry Wreath Blocks 12" x 12"

Planning

Be sure fat quarters measure at least 18" x 20" before beginning cutting. We recommend you not wash your fat quarters prior to cutting. Instructions are included for making your own pillow form, but feel free to substitute a purchased 14" x 38" form if you prefer.

Fabric Requirements

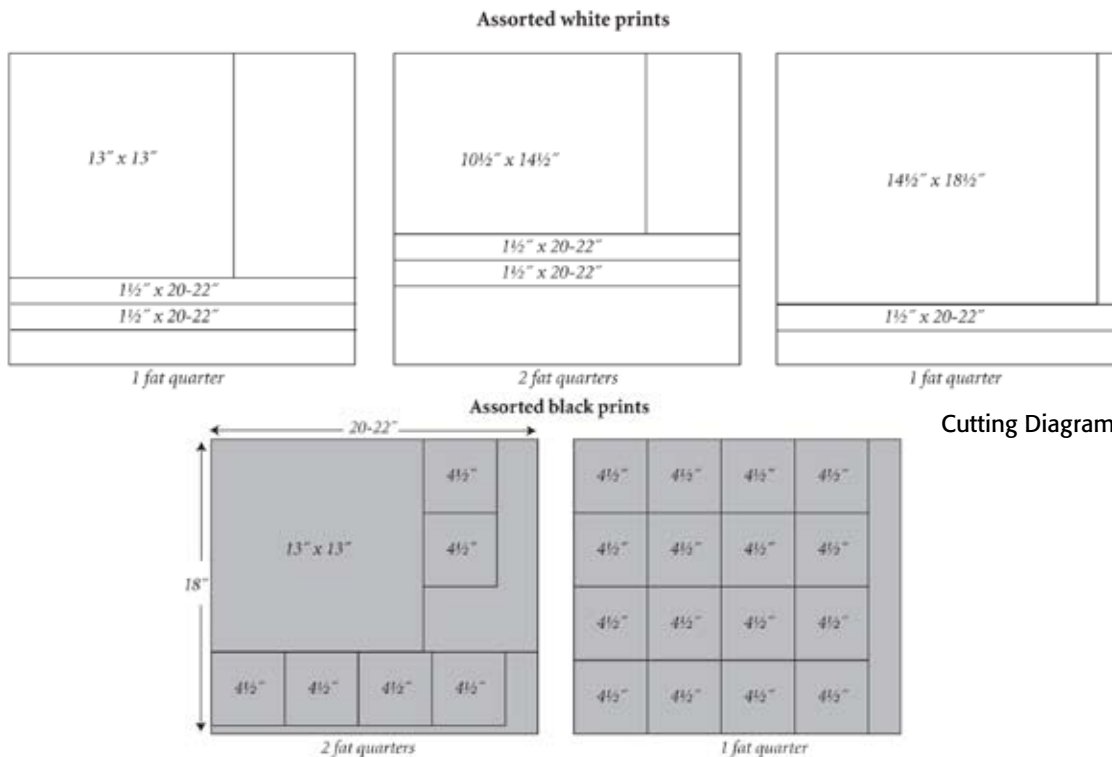

Assorted black/white prints (blocks, prairie points)	3 fat quarters* total
3 assorted green textures (leaves)	12" x 12" piece each
2 assorted red textures (cherries)	8" x 9" piece each
Assorted white/black prints (blocks, border, backing)	4 fat quarters* total
Muslin (pillow form)	1 yd.**
Pillow stuffing of choice**	

*A fat quarter is an 18" x 20-22" cut of fabric.
**Not needed if using a purchased 14" x 38" pillow form.

Cutting Instructions

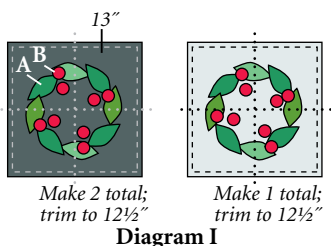

Note: Cutting instructions for fat quarters are shown in **Cutting Diagrams**, below. Cutting instructions for green and red fabrics are on appliqué templates.

Muslin
2 strips 14½" x 38½"

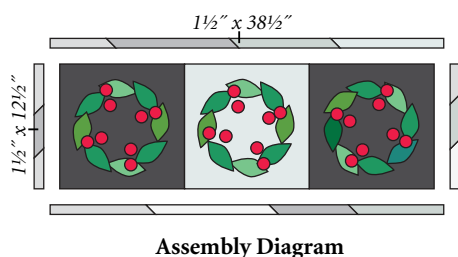

Appliquing the Blocks

1 Note: The appliqué background squares are cut oversized to allow for shrinkage during appliqué. Finger-press black 13" square in half on both length and width; use folds as placement guide. Referring to **Diagram I**, position 8 each Template A and B fabrics, keeping in mind that square will be trimmed to 12½" x 12½" (finished size is 12" square). Appliqué in place. **Trim** to 12½". Make 2 total Cherry Wreath Blocks with black backgrounds, and 1 with white background.

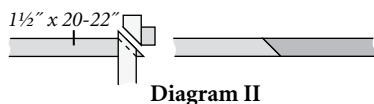

Pillow Top Assembly

2 Note: Refer to **Assembly Diagram** for following steps. Sew 1 row of 3 blocks to make block strip.

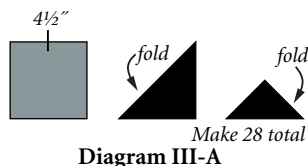

3 Stitch 7 assorted white 1½" x 20-22" strips together end-to-end using diagonal seams (**Diagram II**).

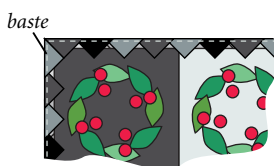

From pieced strip, cut borders in following lengths: 2 strips 12½" each, and 2 strips 38½" each. Sew 12½" strips to sides of block strip. Sew 38½" strips to top/bottom.

4 To make prairie point, refer to **Diagram III-A** and fold assorted black 4 1/2" square in half twice diagonally, wrong sides together. Press well. Make 28 total.

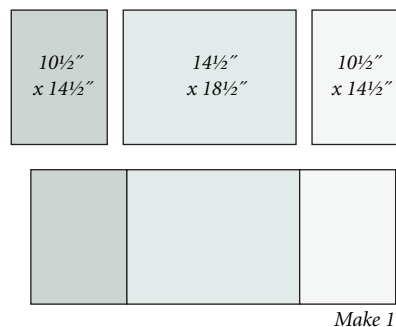

Arrange 4 along each short side and 10 along each long side of pillow top, aligning raw edges and spacing evenly (**Diagram III-B**). Baste a scant ¼" from raw edges.

Finishing

5 Stitch assorted white 10½" x 14½" rectangles to white 14½" x 18 ½" rectangle to make pillow back (**Diagram IV**). Place pillow top and back right sides together; sew ¼" seam around all sides, leaving 8" opening for turning on 1 long side. Trim corners and turn right side out; press.

6 To make pillow form, place muslin strips right sides together and sew ¼" seam around all sides, leaving opening for turning. Trim corners, turn right side out, and fill with pillow stuffing of your choice. Hand stitch opening closed.

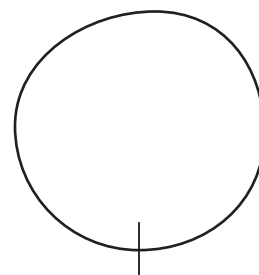

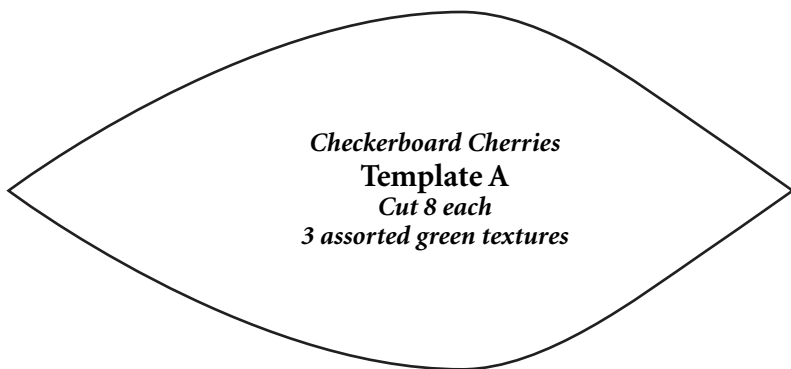

7 Insert pillow form in finished case. Hand stitch opening closed.
