Cutting Instructions
(cut first, and in order listed)

Note: Cutting instructions for appliqué shapes are on templates at end of pattern.

Green dot
1 bias-cut strip 1” x 22 yds. (from 1 square 30” x 30”*)

White solid
**4 strips 2½” x 84”, pieced from 9 width of fabric (WOF) strips
30 squares 13½” x 13½”

Blue dot
10 strips 2½” x WOF (binding)
**4 strips 2½” x 80”, pieced from 8 WOF strips
White/blue/yellow floral
**4 strips 7½” x length of fabric (LOF)

*See How to Make Continuous Bias, a Lesson at McCall’s Quilting.

**Border strips include extra length for trimming.
Appliquing the Blocks

1 Referring to Diagram I, fold green dot 1” x 22 yds. bias-cut strip in half, wrong sides together. Stitch ¼” from fold. Trim seam allowance to ½”. Press tube flat, centering seam allowance on back so raw edge isn’t visible from front. Using ¼” bias bar makes pressing faster and easier. From pressed tube, cut 120 vines each 6½” long.

2 Note: The white appliquéd background squares are cut oversized to allow for shrinkage during appliqué. Finger-press white solid 13½” square in half on both length and width and diagonally twice; use folds as placement guide. Referring to Diagram II, position 4 vines and A-C/Cr in alphabetical order, keeping in mind that square will be trimmed to 13” x 13” (finished size is 12½” square). Appliquéd in place. Trim to 13” square. Make 30.

Assembling the Quilt

Note: Refer to Assembly Diagram for following steps.

3 Sew 6 rows of 5 blocks each. Sew rows together. Stitch blue dot 80” strips to sides; trim even with top and bottom. Stitch blue dot 80” strips to top/bottom; trim even with sides.

4 In same manner, sew remaining borders to quilt, adding side strips first for each border and trimming even after each addition.

Quilting and Finishing

5 Layer, baste, and quilt. Bind with blue dot.
