## Plan

Luxurious multicolored prints from Rowan Fabrics and Kona Solids by Robert Kaufman are featured in this simple-to-piece quilt. Choose 5 pink and 5 blue prints ranging from light #1 to dark #5 and pair each with a solid of similar value (value is the light/dark characteristic of the color) to create your blocks. Careful placement of light and dark blocks during assembly creates a lovely shimmering effect.

## Sew

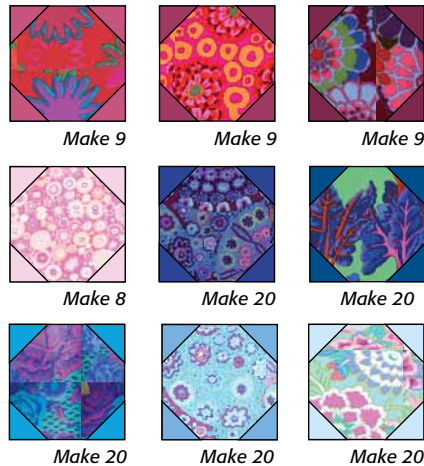

**1** Draw diagonal line on wrong side of #2 pink solid 2½" square. Referring to **Diagram I-A**, place marked square on #2 pink print 6½" square, right sides together, aligning raw edges. Stitch on drawn line; trim away and discard excess fabric. Open and press. Repeat on remaining corners to make Snowball Block. Make 9.
