**PIECING THE BLOCKS**

1. Using **Diagrams I, II, and III** as guides, piece one Unit 1, four Unit 2, and two Unit 3.
2. Using **Assembly Diagram I-A and I-B** as a guide, position units to form block design. Sew Unit 2 sub units to center sub unit (Unit 1). Sew remaining sub units (Unit 3) to make Modified Memory Block.
3. To stabilize fabric for writing message/signature, cut a piece of freezer paper the size of Template A, minus the seam allowance. Press paper (shiny side down) to the wrong side of Piece A in the block. Using a waterproof, permanent fabric pen, write message/signature on right side of Piece A. Remove freezer paper.
